Recommendation SC-IOCARIBE-XV.11

CARIBBEAN LARGE MARINE ECOSYSTEM CLME+

The IOC Sub-Commission for the Caribbean and Adjacent Regions (IOCARIBE),

Urges Member States to take appropriate actions within their governments to continue supporting the implementation of the CLME+ Project;

Recommends Member States to take appropriate actions within their governments to participate in the process towards the establishment of the Coordination Mechanism as well as the development of a Sustainable Financing Plan for Ocean Governance, particularly through:

(2) further country-level consultations on the **form and functions** of the Coordination Mechanism, and **a Sustainable Financing Plan for Ocean Governance**, will enhance the decision making process at the CLME+ Project Steering Committee Meeting planned for the first semester of 2020, and by

(3) subsequently leveraging the political support for such Mechanism and Financing Plan;

Invites Member States to continue investigations with the CLME+ Project Coordination Unit, regarding the **possibility of hosting the Secretariat of the Coordination Mechanism**.

Urges Member States to continue to support, inter alia by mobilizing renewed funding, the efforts to establish the Caribbean Marine Atlas as a geospatial platform of reference supporting regional integrated ocean governance, and

Recommends Member States to take appropriate actions to mobilize their government's support for the proposed efforts to secure renewed funding from the GEF to ensure the continuity and sustainability of the outputs and achievements of the CLME+ Project.
