

## AGENDA ITEM 6b: CO-FINANCING REPORTING AND STATUS

# Countries and partners which have submitted co-financing information

As of February 2021, after PCU's request, 11 countries and 7 organizations who previously submitted commitments letters have reported co-financing contributions. It is important to complete pending submissions.

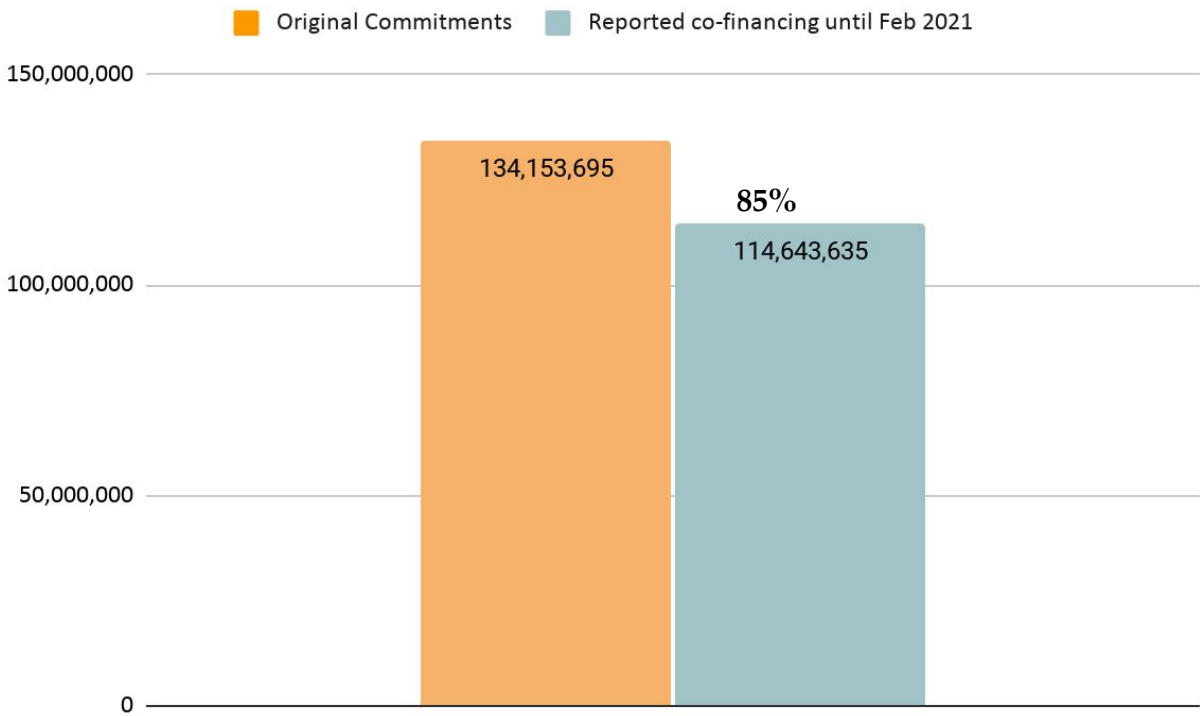

*(\*) from the countries who have submitted commitments letters*

*(\*) from the organizations who have submitted commitments letters*

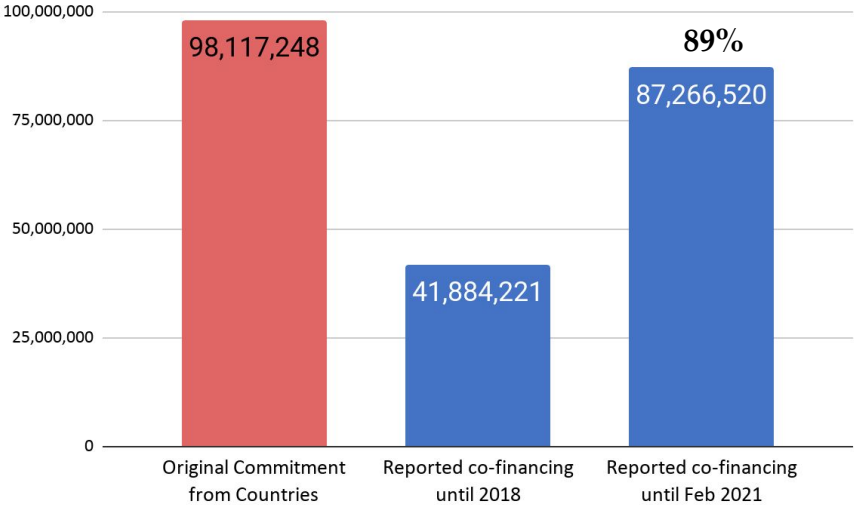

# Total reported co-financing figures until February 2021

Total reported amounts in USD from countries and partners/organizations

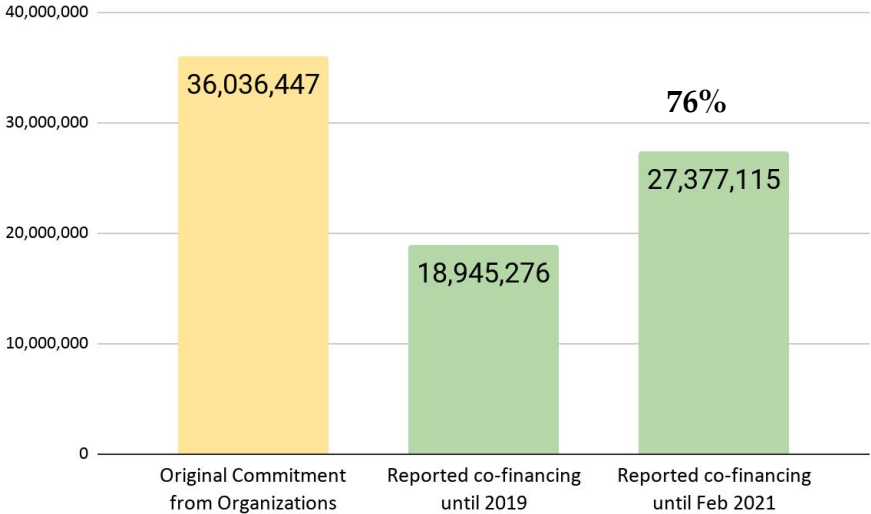

# Reported co-financing figures until February 2021 (countries and partners/organizations)

*Co-financing from countries*

*Co-financing from organizations/partners*
